the guerilla war waged between the ira and the crown forces between 1919 and 1921 was a pivotal episode in the modern history of  
ireland this book addresses the war of independence from a new perspective by focusing on the attitude of a powerful social elite

the catholic clergy the close relationship between irish nationalism and catholicism was put to the test when a pugnacious new republicanism emerged after the 1916 easter rising when the ira and the crown forces became involved in a guerilla war between 1919 and 1921 priests had to define their position anew using a wealth of source material much of it newly available this book assesses the clergy s response to political violence it describes how the image of shared victimhood at the hands of the british helped to contain tensions between the clergy and the republican movement and shows how the links between catholicism and irish nationalism were sustained

this book offers the first critical examination of australian state and territory politics in over 20 years it presents a major updating of the field with deep analysis of key political electoral and policy developments in all the states and both territories over the last decade the volume addresses a substantial gap in our understanding of politics and policy in australia providing systematic scholarly analysis of many new developments including major policy reforms and the rise of long serving and important political leaders such as dan andrews in victoria and anna palaszczuk in queensland in part one the authors offer new comparative and thematic analyses of state and territory politics including electoral innovations commonwealth state relations historical context and gender policy and politics in part two contributors provide an analytical overview of politics in the past decade in each jurisdiction the final chapter includes a comparative survey focusing on electoral trends policy developments and ideological changes the book will appeal to scholars of australian politics across a range of dimensions from electoral politics to federal dynamics and specific policy concerns and more widely to any reader interested in the politics of australia the book is an ideal teaching resource and suited to be integrated as recommended or supplementary reading in a wider range of university undergraduate and postgraduate courses on
